RE: Notice of File Closure For Small Mining Activities, BVRC - West #1(Crown Resources), S/047/039, Uintah County,Utah

This is an addendum to the closure letter written 3/96 closing this site. There is some confusion as to the site referenced by the 3/96 document. Crown presently operates a site in this area known as the AROC #1 site in T04S, R21E, NE4 NE4 of Sec 31 and the S2 SE4 of Sec 30. The closure of BVRC West #1 is a site located in the SE4 NE4 of Sec 25, T04S, R20E, initially explored by Buena Ventura Resources Corporation. In August of 1997 this corporation became known as Crown Resources. The proximity of these two sites operated by Crown Resources is the reason for the confusion
